

	LED Anode 0	LED Anode 1	LED Anode 2
Row 0	Step 0	Step 1	Step 2
Row 1	Step 4	Step 5	Step 6
Row 2	Step 8	Step 9	Step 10
Row 3	Step 12	Step 13	Step 14
Row 4	Step 11	Step 7	Step 15
Row 5	Step 3		

LED's are wired directly between the three anode signals and the 6 row signals.

Larger flag-shaped part inside LED is the negative (cathode) end.
